Case No. CIV-11-030-RAW

Unopposed Motion for Briefing Schedule

Plaintiff, State of Oklahoma, respectfully requests the Court to enter the proposed briefing schedule, for the following reasons:

1. Plaintiffs and Defendants believe this case can be resolved as a matter of law, and as such intend to file Motions for Summary Judgment.

2. Because of the importance and complexity of the issues involved, Plaintiffs and Defendants have a shared interest in a streamlined briefing schedule that reduces the number of briefs filed, ensures timely completion of the briefing, and which at the same time ensures that the parties have an adequate amount of time and pages in which to brief these issues of national importance.

3. To that end, the parties propose that Plaintiff will file its motion for summary judgment on or before January 15, 2014, which motion shall not exceed 45 pages in length. Defendants will file a response in opposition/cross-motion for summary judgment on or before February 14, 2014, which response in opposition/motion shall not exceed 45 pages in length. Plaintiffs will file a reply/response in opposition on or before March 17, 2014, which reply/response

in opposition shall not exceed 30 pages in length. Defendants will file their reply on or before April 7, 2014, which reply shall not exceed 30 pages in length.

4. Counsel for Plaintiffs has spoken to counsel of record for Defendants, who has agreed to this proposed schedule.

For these reasons, Plaintiff asks the Court to enter the proposed scheduling order that has been submitted separately.

Respectfully submitted,
